

LUNCH STOP/MEETING TOWN

Volunteer Recruitment Form

YES! ...SIGN ME UP!

I want to volunteer when RABGRAI pedal through Alden on July 21st, 2015.

Community Groups have expressed a desire to serve the bike riders a great lunch as they ride through town. All profits from this community effort will be donated back to the community through churches & nonprofit organizations. There will be many opportunities to help from setting up before they arrive, help during the lunch stop/mid afternoon and after they have gone. Please fill out the form below and let us know when you are available to help and what you would like to do.

Help make this day a success for the riders and our community
